UKDS ANNUAL GENERAL MEETING - 2014

New Trustee Recruitment Procedure for UKDS

As part of our push to improve our governance and strategic capacity, we are striving to seek out the best of skills and knowledge out there to join the board of Deaf Sport. This means that we must ensure that the Board of Trustees has the right balance of skills and knowledge of our Trustees, not just a passion for Deaf Sport, but also the skills covering a wide range of talents such as fundraising, marketing, networking, management, personnel, legal, experience of service users & business as well as the voluntary sector and secretarial skills.

UK Deaf Sport is currently listed as a Charity, registered with the Charity Commission. In line with our strategic plan, we are in the process of converting the charity to Charitable Company Ltd.

Along with the conversion, we developed a new recruitment procedure where we will now advertise and recruit professional people from other charities, organisations and the floor.

The Board of Trustees completed first phase of Trustees recruitment and recruited 5 trustees during the year. The board therefore nominate those new trustees to be elected onto the board formally at the AGM.

A second phase of Trustees recruitment will commence with view of new appointment to be in place by 1st April 2015. Within the skills required, UKDS are mindful that women and Black and Minority Ethnic (BME) are currently under represented on the board.
