

**DeaflympicsGB**

## **Provisional Accommodation information**

- No accommodation has been booked until the Chef de Mission's inspection visit to Samsun early next year.
- We hope to stay inside the Deaflympics Village for the best logistics planning and ease of travel to each of our required training venues situated inside the village
- Further information regarding the DeaflympicsGB's accommodation will be announced around March 2017
- The below are details of the provisional accommodation facilities inside the Deaflympics village

Updated 14th December 2016
