Deaf Awareness Tips Safety Information

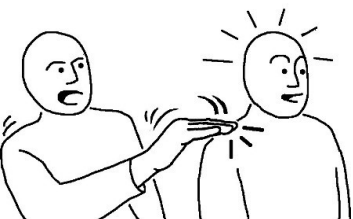

Important to remember when shouting 'FAST' the Deaf archer will not hear you.

Touch and hold on to the Deaf archer's shoulder until they respond or tap on the shoulder or wave to them.

Touch and hold the Deaf archer's shoulder. Say (STOP). Make sure they look at you to show they have understood.

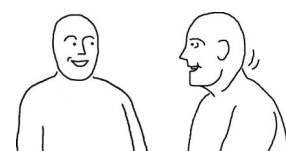

You can get the Deaf archer's attention by tapping on their shoulder

To ask the Deaf archer to stop or wait use the natural gesture for stop (an open hand)

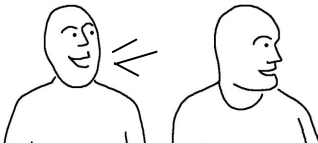

Deaf Awareness Tips Social Communication

Always get the Deaf archer's attention first and look at the archer when talking.

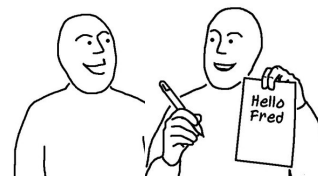

Don't shout! Talk in a normal manner to a Deaf archer. Don't get too close.

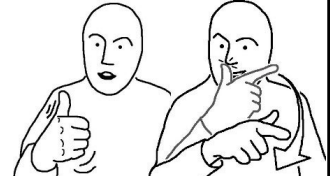

Don't shout! Always make sure you are facing a Deaf archer when speaking

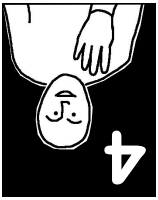

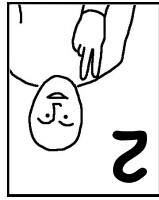

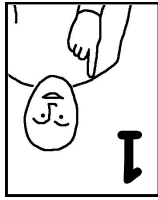

Be prepared to wave to a Deaf archer to get their attention.

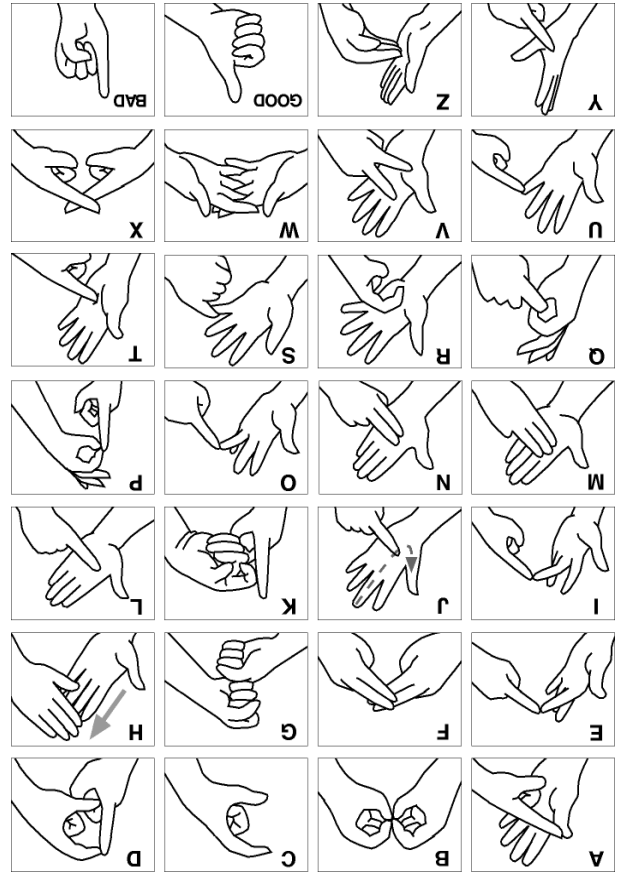

If you are stuck -write it down

Good Luck
